Dear Sir:

Attached hereto is a copy of the filing receipt mailed June 1, 2004, with incorrect information encircled, and with correct information written by hand. The middle name of the inventor is NICHOLAS. Through a typing error made without deceptive intent, the H in the inventor's middle name was missing in the unsigned declaration submitted with the application. However, the signed

declaration submitted herewith includes the correct spelling of the inventor's middle name.

A corrected filing receipt is respectfully requested.

Respectfully submitted,

Dated
